

MDU

WESLEYAN

we are all about you

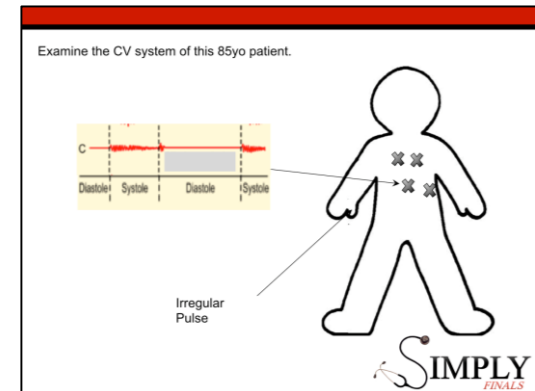

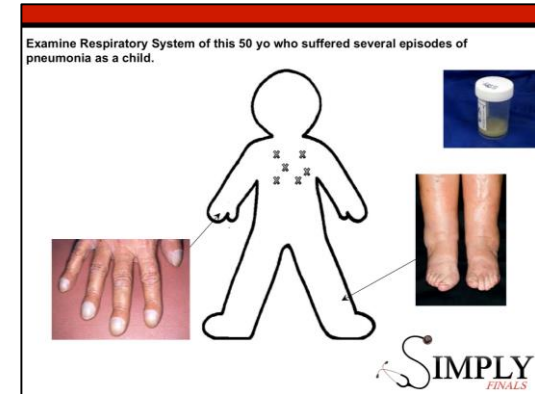

TTA Pack

Week 2

What's been covered so far...

- Antibiotics
- Cardiology
- ECGs
- Renal
- Sepsis
- Heart Failure Medications (Online)

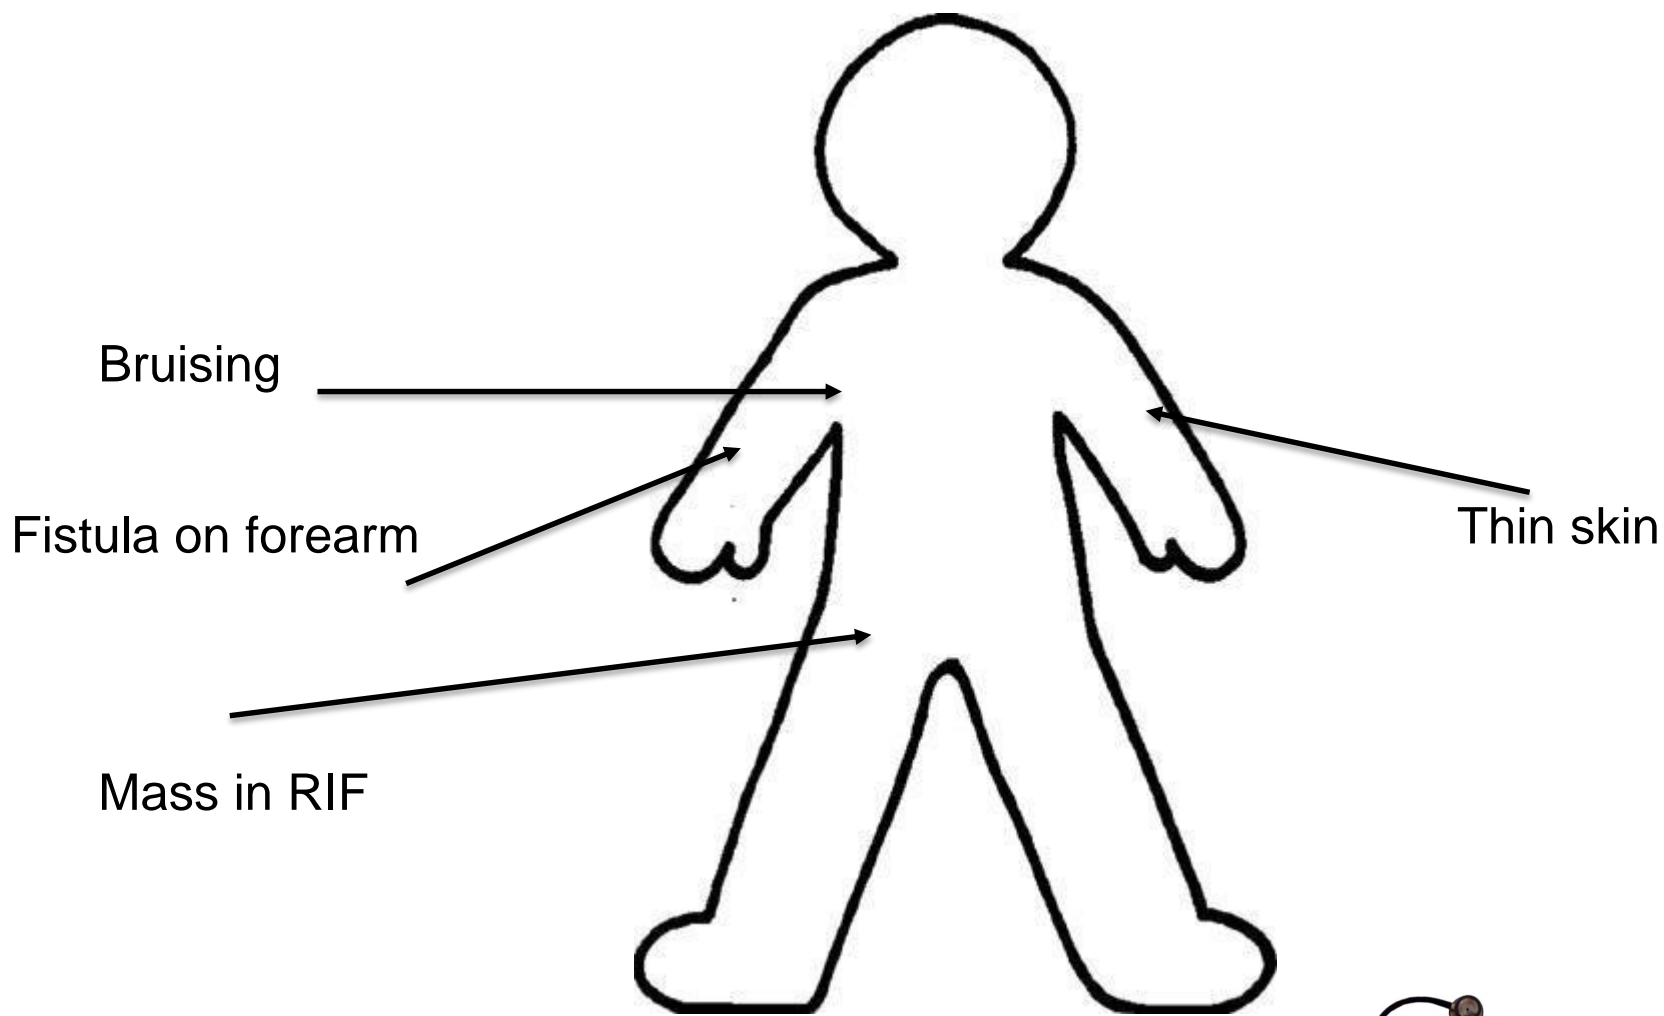

This week's TTOs

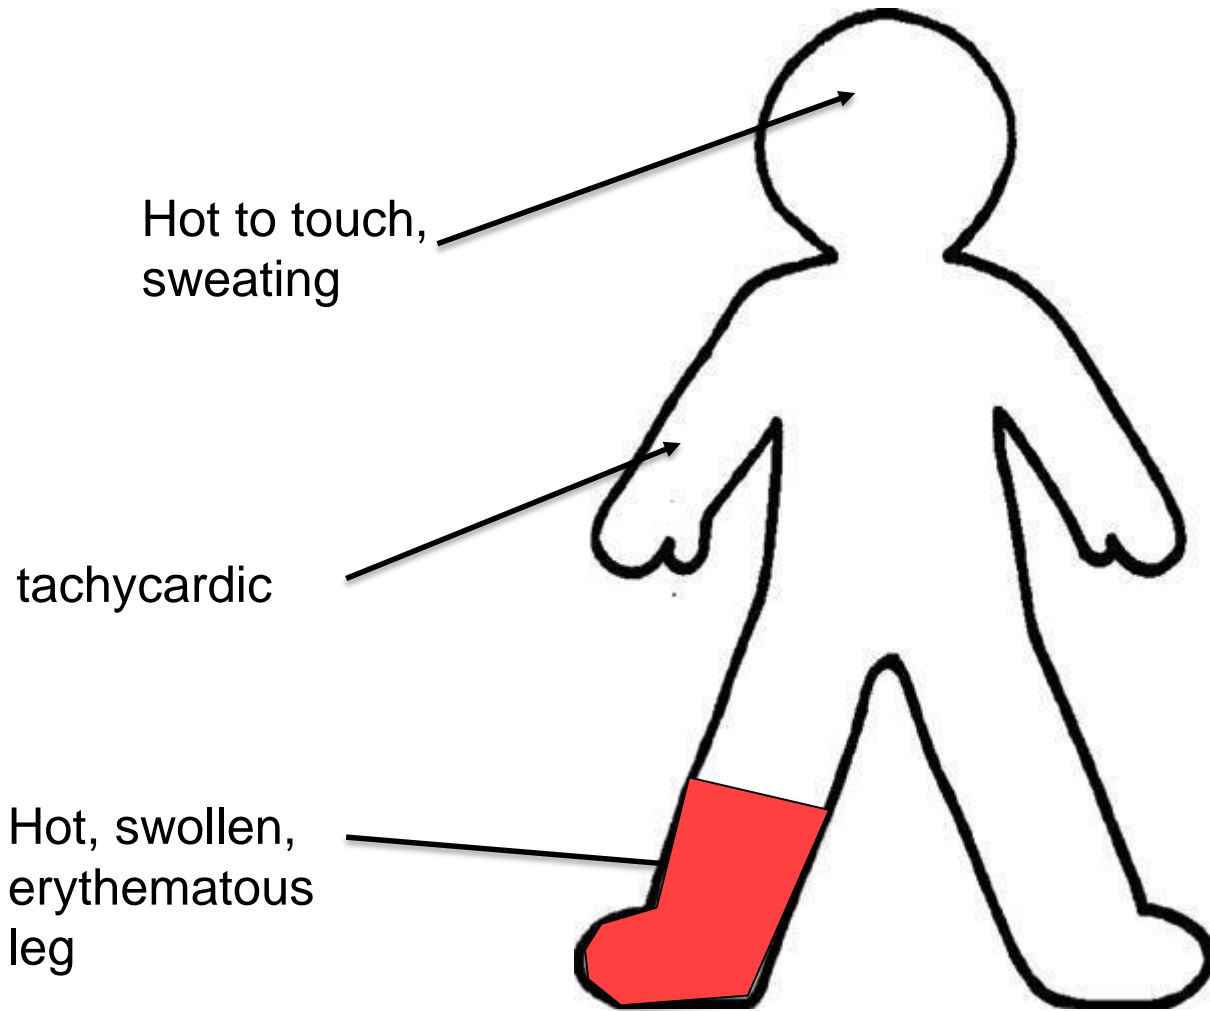

- Review the diagnosis and initial management of a septic patient (was the Sepsis 6 done?)
- Review a patient's fluid input/output chart
- Perform a urine dip
- **Simply Online:** The MDT and Complex Discharge

Examine the abdominal system of this 50 yo gentleman.

Examine this 67 year old man.

Regular TTAs

Examine and take a focussed history of each system >2 times a week

- With feedback (exam-like practice)
 - **Peer-peer** marking (with mark schemes)
 - Present findings and offer a management plan.
-
- Keep an eye on website for up to date recommended resources, www.simplyrevision.org.uk

Next Week, Wednesday 20th January

Blood Transfusion

Prescribing

And...

New this year!
